FINAL STATEMENT

OF

James C. Lewis

35 Reg't of Kentucky

Co B.

VOLUNTEERS.

Due Oct 29. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descripuve list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

Smith B. Merchant

35 Reg't of Kentucky Infantry

Co B.

VOLUNTEERS.

Died Nov 15. 1863.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge; and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

PLEASE ACKNOWLEDGE RECEIPT

War Department,

Adjutant General's Office,

Washington, [illegible] 31st 1863

Sir:

In reply to your letter requesting a Descriptive List of [illegible], a [illegible] in Company [illegible], [illegible] Regiment [illegible] Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

[illegible], a [illegible] in Company [illegible] Regiment of [illegible] Volunteers, is [illegible] years of age: but no further "description" can be obtained from the files of this Office.

He was enrolled on the [illegible] day of [illegible], 1863, at the town of [illegible] in the State of [illegible] by [illegible], and mustered into the service of the United States on the [illegible] day of [illegible], 1863, at the town of [illegible], in the State of [illegible] by [illegible], to serve for the period of [illegible] years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster & Rolls of his Company ~~for the months of~~ [illegible] that he was last paid by Paymaster [illegible] to the [illegible] day of [illegible], 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

[illegible]

Very respectfully,
Your obedient servant,

[illegible]

Assistant Adjutant General.

(7)

To

[illegible]

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Bowling Green Ky
26th March 1864

Col. Starling Dear Sir
As mist me to address you with a few lines
as I am at Liberty at present — Col there has
been Great Changes here in the last 24 hours
when I was written to you last & thought I would
be Released by the Presidents proclamation but
my Officers of the 20th Regt came to me
& said if I would enlist again they would
have me Released immediately & Send them at
their request I would answer by a Ltr of
Co B 26th Ky that has passed on the 29th Febs
but Consider that Oath any ways binding & would
not — they said if I would not Released they would
Destroy the papers also Whether they meant
what they said or not I am not at Liberty
to say but I dont believe they intend Releasing
me under any Circumstances but Little do
I Care if they neither they Release me or not
Let me Returned to my Regt and Served my
time out but they Took I Court martialing
me the Second time whether they have the
right to do it or not I Court say but if
Confederate they Can do just what they
they may please to hold me 3 years longer if
I want your Opinion & advice on the Subject
& receive Ther no better rebel Counsel to Instruct
my Ltr has Given me to understand that
there papers but little hopes of my being Released
this Leave this Morning Removed us from
the Court house & placed us with the Rebels

in the Military Prison & there turned a key
and us at same as if we were highway Robbers
that is no nice treatment — for a federal Soldier
to be at the hands of his own officers
& Great inducements for Reenlisting there
was a young man belonging to the 2nd
Ohio heavy Artilery has been under Arrest
for the last 6 months he was charged with
every thing that was unbecoming to Soldier
he was charged with Desertion Drunkness Disobedience
of Orders & with Robbery he Resisted to
General Burbridge & Stealed his Coat to him
Burbridge Immediatly gave orders for his Release
& he is now with his Co. I believe Col if
you would write to Burbridge and State my
Case to him he would Release me hoping to
hear from you soon I will Close

Your humble Servant

Col. The within of the above enlisted in my Regt: and was a good
a Soldier, & true as I ever saw. I gave orders to forward him to Burbridge
as a deserter of 26th Ky Inf. Said he. His guard, himself, deserted him, and went
Home. He himself, went on and delivered himself up, I dont know the nature of
the charges against him; but. if there is any way of relieving him, I would
take it as a favor, if he was allowed another chance, to right himself.

Very Respectfully

Col. C. H. Manning recommends that he be released and returned to his regiment.

Camp Nelson, Ky. April 14th, 1864

The within named Josh Palmer, a private of company F, 26th Ky Vols deserted his company & regiment early in March, 1862, after he had been enlisted and had served several months, but without having been mustered into the U.S. service. He was apprehended in March, 1863, & tried for desertion, but before the proceedings and sentence in his case were published, he escaped from the guard, and, some time in the summer of 1863, joined the 35th Ky. On 22nd Dec. last, the Commander of the 35th, upon being informed of the facts, sent Palmer here, and he is now serving out the term of six months for which he was sentenced to work on the fortifications at this place. A few days since an application was forwarded to District Head-Quarters for his sentence to be remitted, which has not yet been heard from. He has not been regularly re-enlisted because of his position.

War Department,

Adjutant General's Office,

Washington, [illegible] 17th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of [illegible] a [illegible] in Company [illegible] Regiment [illegible] Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

[illegible], a [illegible] in Company [illegible] Regiment of [illegible] Volunteers, is 21 years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 17th day of [illegible], 1865, at the town of [illegible] in the State of [illegible], and mustered into the service of the United States on the [illegible] day of [illegible], 1865, at the town of [illegible], in the State of [illegible], by Lieut. [illegible], to serve for the period of one year.

~~during the war~~

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company ~~for the months of~~ [illegible] that he was last paid by Paymaster [illegible] to the 30th day of [illegible], 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

[illegible] "Captured and paroled" [illegible] Nov. 30th 1864 [illegible] Parole on file [illegible] Exchanged [illegible]

Very respectfully,
Your obedient servant,

William Hoyt

Assistant Adjutant General.

(7)

To [illegible]

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."
